

and Surgery in the  
wards of wards  
of Sir Thomas Hospital  
and has on several  
occasions acted  
as dresser in  
charge of my  
patients; I can  
therefore write  
with all confidence  
in the correctness

of my opinion  
of her. She now  
seeks appointment  
for the office of  
house surgeon to  
the Westminster  
Lock Hospital  
likely to be presently  
vacant and I can  
most fully recom-  
mend her as
