TELEPHONE No 7 RAINHILL.

COUNTY PALATINE

OF LANCASTER

Oct. 28. 1917 I have great pleasure  
in testifying to the worth and good qualities  
of Dr. Winifred Martin. We should be very sorry  
to lose her.  
Rainhill July 7 1916  
J. P. Cowen M.D. & F.R.C.S.

Dr. Winifred Dickson Martin  
informs me she is a candidate for  
the office of Medical Superintendent  
of the Camberwell Infirmary, St. Ceb.  
Her qualifications are of the  
highest: She had a brilliant  
record at the Royal University  
of Ireland.  
She is a capable and successful  
surgeon and gynaecologist.  
She has been ~~here~~ as Temporary  
Assistant Medical Officer for  
last 10 months at this Asylum  
and has been in charge of the

acute wards on female side  
but has taken her turn of duty  
with male patients.

She is most capable and  
conscientious: She has made  
herself acquainted with all the  
details of her work and knows  
well the administration of  
Hospitals and Asylums.  
I have every confidence in strongly  
recommending this lady and  
cordially wish her success in  
her application but should regret her loss.  
Dr. Martin is much liked by  
the staff with whom she is  
very successful in dealing.

J. P. Cowen  
Medical Superintendent
