

infecting other nurses  
& patients but I can't  
stop it & that's on account  
because nurses are  
so scarce.

I am the only person who  
has had no cold in her  
head for the 3½ years. I  
have had threatening  
but warded them off in less  
than 24 hours.

Remember me to Dr. Ryfeck's  
sometimes. I am delighted  
he is better & back at work.  
I am sure he is splendid.

I don't expect you to  
reply to this long letter.  
Ponder it & write in a month.
