Dear Rae Martin

My father has given me the enclosed historical note which was written by Elizabeth Wilson. It is not, unfortunately, a very good copy as our copy is poor. But I thought you would be interested to have it, if you do not have it already. I have sent a copy to Edith Atmore. My father is not sure where our copy came from.

It is incomplete, and I do not know how much more of it there is, or whether the rest still exists.

It contains some fascinating stories about your grandparents, and is generally very interesting about the children of T A Dickson, particularly the girls.

Yours sincerely

Christopher Dickson
