

MARY W. GRISCOM, M. D. 1811 Chestnut St.
~~2100 WALNUT STREET~~
PHILADELPHIA, PENNSYLVANIA

January 3d, 1943,

Dearest Winifred,

To think we should both of us be here to see the beginning of another year. I didn't want to, and you didn't, but you are working. I have sat for some years to just let the world go by, and after living as we have done, that is worse than work. However there seems no legal way for us to hasten the outgo.
