

Resident of House Eugene  
would be extremely fortunate,  
and I would myself not-  
hesitate to place her in  
the highest position of  
Surgical & Medical Trust.

She possesses admirable  
method and organizing  
power, and extreme tact in  
dealing with those around  
her.

W. H. Storer

Vice Pres. R.C.S.I. Surgeon to  
the Richmond Hospital
